Plaintiffs,

v.

Pfizer, Inc.,

Defendant.

This matter is before the Court on Defendant's Supplemental Response to the Order to Show Cause (Docket No. 697). On August 25, 2010, the Court issued an Order to Show Cause that required all remaining Plaintiffs to present admissible evidence of general causation in support of their claims. The Court held a hearing on its Order to Show Cause on October 4, 2010, at which no Plaintiffs appeared. Since that date, the above-listed Plaintiffs have neither dismissed their claims nor submitted any further support on the general causation element. Thus, Plaintiffs have failed to show cause why their cases should not be dismissed.

Accordingly, **IT IS HEREBY ORDERED** that the above-listed cases are
DISMISSED WITH PREJUDICE.

LET JUDGMENT BE ENTERED ACCORDINGLY.

Dated: Wednesday, December 22, 2010
